A LEGACY OF QUALITY IN DISPOSABLES & PACKAGING

ECONX is an independent, family-run business with years of experience supplying quality catering, janitorial and packaging disposables across the UK and we cater to sectors like catering, industrial supply, packaging, and office essentials. Built on strong values of reliability, consistency, and care, we have become a trusted name in the Food packaging industry, serving businesses of all sizes — from local cafés to national chains.

We proudly supply a wide range of sectors, including restaurants, hotels, offices, cafés, takeaways, food services, food manufacturers, councils, schools, care homes, wholesalers, & many others. This diverse customer base reflects our ability to meet the varied demands of the UK's dynamic food and hospitality market.

At ECONX, customer satisfaction drives everything we do. We provide flexible order quantities, quick turnaround times, and dependable delivery across a wide range of premium disposable packaging. With a growing portfolio of sustainable options — including biodegradable, compostable, and recyclable products — we help businesses operate responsibly. Backed by strong supplier partnerships and competitive pricing, we're trusted by cafés, caterers, and manufacturers alike for our commitment to quality, value, and personal service.

KRAFT AND BLACK RIPPLE COFFEE CUPS & LIDS

Our Ripple cups feature a triple wall design that insulates the cup, meaning the contents on the inside are kept hot, while the outside of the cup remains comfortable for your customer to hold.

WATER VENDING CUPS

Water vending cups can be made of paper, plastic, or foam, each with different properties suited for specific needs and temperatures. The primary purpose of all vending cups is to be a leak-proof and convenient container for beverages.

Paper cups are a popular, eco-friendly option for both hot and cold beverages.

Their waterproof capabilities come from an interior lining, and they are available in single- or double-wall designs.
